

Ashtabula Municipal Court

Annual Report for 2018

Mission Statement

The Ashtabula Municipal Court shall be effective and efficient when resolving disputes in order to uphold the laws and regulations of the court's jurisdiction and the State of Ohio. The Judge will interpret and apply the law with the utmost fairness and impartiality in order to protect the rights and liberties of all people guaranteed by the Constitution of the State of Ohio and of the United States of America.

The Annual Report for the Ashtabula Municipal Court (AMC) is to notify the public about the Court's programs, statistics and accomplishments.

The AMC has one Judge, one Magistrate, one Court Administrator / Clerk of Court, one Head Bailiff/Head Security Officer, two part time Bailiffs (one of which works mainly outside of the Court serving Court documents), two part time Court Security Officers / Deputy Bailiffs that monitor the metal detector for the Justice Center building, and a part time Drug Court Administrator / Deputy Bailiff.

AMC departmentalized creating the following:

Criminal/Traffic Department, Civil Department, Probation Department, Bookkeeping/Customer Service Department, and Information Technology Department

The Criminal/Traffic Department consists of one Supervisor Deputy Clerk / Judicial Assistant, one full time Traffic Clerk, one full time Criminal Clerk and one part time Administrative Support Deputy Clerk.

A brief summary of the Criminal/Traffic Department from the Supervisor Deputy Clerk:

2018 proved to be another very productive year. The Court has continually pursued back fines, and has worked on correcting data entry errors regarding amounts owed (mostly in cases from the 80's and 90's) and warrants issued for fines. All known warrants issued for fines have been recalled and other methods to collect have been implemented if applicable.

The Court held the Clean Sweep program for a week in March 2018. People had an opportunity to make a minimum payment of \$100 towards fines either at the Court or online, and the Court would match the payment. Total amount receipted was \$21,590.70; total Fresh Start credit was \$19,684.20. A total of 109 defendants participated.

The registration blocks and license forfeitures continue to be an effective method of collecting back fines. The LFF program is still offered to those who can't afford to pay balance in full. Total traffic/criminal monies receipted was \$935,771.00.

Total of criminal and traffic cases filed decreased slightly; however, the total amount of cases disposed increased by 2133.

The Court continues to utilize a Facebook page in efforts to reach more people regarding current events and programs at the Court. As of today, the page has 65 followers, more than double the amount from last year. It's a very effective way of reaching people. Just an example, we posted about license blocks for fines on Aug. 29, 2018, and a total of 1013 people were reached.

Overall, the Traffic/Criminal Department has continued its efforts to improve docket efficiency and collect outstanding fines and costs owed to the Court.

Civil Department consisting of one full time Supervisor Civil Clerk and two full time Civil Clerks and one part time Civil Clerk.

A brief summary of the Civil Department from the Supervisor Deputy Clerk:

2018 has been another busy year in the Civil Department. While the number of case filings remained steady from last year, the number of overall pleadings and post-judgment remedies have continued to increase. When comparing statistics from 2017 to 2018, both case filings and revenue remained largely the same.

--Case Filings in 2018 remained nearly constant from 2017, decreasing slightly by 8 cases

--Civil receipting in 2018 also remained constant, increasing slightly by \$1,276.00, about 1%

The Civil Department continued to strive towards its paperless goals by completing more filings and record requests using email. This method has resulted in a larger reduction in both paper and postage than previously estimated. Throughout 2018, our goal to decrease turn-around time for all pleadings and service requests continues to unfold. The Civil team has worked as a team to reduce the existing backlog by nearly 75%!

Finally, a more aggressive posture on the collection of Civil filings fees has allowed our department's revenue to remain constant, with a slight increase, despite total case filings decreasing slightly. Most pleadings will not be filed unless accompanied by the appropriate fee. Several filing fee categories had significant increases in revenue including:

Alias service – 34% increase

Garnishment poundage fee – 16% increase

Writs of Restitution – 25% increase

In 2019, the Civil Department will focus on decreasing turn-around time for processing pleadings and implement new procedures towards that goal to reduce any backlog.

Probation Department consisting of one Chief Probation Officer, two full time Probation Officers and one part time Secretary.

A brief summary of the Probation Department from the Chief Probation Officer:

In 2018, the Probation Department was made a secure office with the installation of cameras and a door lock, which must be released by Probation staff. The Ashtabula Municipal Court used special project funds to make certain that the staff in the Probation Department was protected.

The opiates and severe drug addiction problem has continued to plague this community. The Ashtabula Municipal Court was fortunate to be awarded a grant, which assisted with the

implementation of a Recovery Court. The Probation Department is involved in Recovery Court and one staff member supervises all participants accepted into the Recovery Court.

As always, the staff at the Probation Department has been active in the collection of restitution to make victims whole. In 2018 the staff collected \$20,552.93, which exceeded 2017 by \$3,155.22. In 2018 the Probation Department supervised 508 probationers, and made sure that all requirements of the Court were being satisfied.

Throughout 2018 the Court referred 103 defendants to perform various hours of Community Service. These individuals completed 2,148 hours of community service.

A brief summary from the Recovery Court Administrator:

The Ashtabula Municipal Recovery Court was initially certified on December 29, 2017 and received final certification pursuant to Sup. R. 36.26 on June 15, 2018. The mission of the Ashtabula Municipal Court Specialized Docket/Recovery Court Program is as follows:

The Ashtabula Municipal Court shall provide a specialized docket for qualified offenders struggling with addiction, substance abuse, and related issues. This specialized docket will provide a supportive and positive alternative to incarceration, including comprehensive treatment plan for each participant.

The Recovery Court currently has 16 high risk-high need participants that attend substance abuse and mental health treatment, obtain frequent random drug screens, attend frequent court appearances and sober support meetings. The goal is to reduce incarcerations and recidivism with the plan to make participants productive members of the community. The benefit of the Specialized Docket is the intense contact and accountability between the participants, the court and service providers so that participants do not fall through the cracks and therapeutic adjustments are made swiftly.

Bookkeeping / Customer Relations department consisting of two full time customer relations clerk, and one full time bookkeeper/small claims deputy clerk.

Information Technology department consisting of one full time Network Administrator.

Below shows AMC's progress:

- 1) Received an Ohio Supreme Court Technology grant for a state of the art metal detector which was the initial step in the Courts plan to secure the Justice Center Facility.
- 2) Used Court special project funds to install cameras around the 2nd floor Court area, to further our security plan.
- 3) Started receiving and processing electronic tickets from OSP.

Included in the Annual Report is:
