

Fines/Court Costs Owed

Due to a recent audit at the Ashtabula Municipal Court regarding the fines/court costs assessed to your case(s), we are announcing the Fine Assistance Program (F.A.P.). This F.A.P program will allow you the opportunity to “work off” your fines/costs by completing community service hours. If you decide not to take this opportunity to clear up these fines/costs there could be registration blocks or license forfeitures placed on your driving record.

To be accepted into this program, you will need to download the application and fill it out. You can mail it to and/or drop it off:

Ashtabula Municipal Court, 2nd floor

Located at 110 West 44th Street

The fee to join the program is **\$85.00 (non refundable)** and due at the time of the application is received.

If you are accepted into this program (which may take a week to determine) the Probation Department will notify you to set up a meeting to organize your community service schedule.

If you have a current registration block or license forfeiture, this program may allow those to be removed once you are approved into the program at the discretion of the Court.

If you have any questions regarding the program, call 992-7129.
